## MOTOR AND PUMP

Page 1: last updated Tue Jun 18 04:20:01 BST 2019

These are our known part numbers for motor and pump stock,

We may not have all of them currently in stock but Comlec Units can source or re-manufacture virtually any AC or DC electric traction part, no matter how rare.

50019765	48V PUMP & MOTOR	50019764MTR
SL-2248-MTR+PUMP	48V PUMP MOTOR AND PUMP ASSEMBLY	
TB12-112-50019765	48V PUMP & MOTOR	50019764MTR
